

Governor Training 2023 - 2024

Governors' role in school improvement and planning

Tuesday 5 March 2024

Microsoft Teams 1pm and 6pm

This course will focus on the core function **Setting Strategic Direction.**

We will look at....

- How that helps governors to monitor progress using elements of the School Improvement Plan.
- Ofsted expectations and ways to evidence the role governors play.
- How to develop a clear role in school improvement planning and being confident in holding leaders to account.

Please bring along a copy of your current **School Improvement Plan.**
