

NOTE: This section contains the registration of every person registered under the Act as owner of any of the land described in the land section of this register unit. It does not contain any registration in respect of land of which the freehold is registered under the Land Registration Acts 1925 and 1936, but the absence from this section of a registration in respect of any land described in the land section does not necessarily indicate that the freehold of that land is registered under those Acts.
