

What's on

Newsletter 46 • September 2009

After consultation with members it has been decided to make the publication of the GOLD newsletter bi-monthly with a 'What's on' news sheet during the alternate month. By doing this we can still keep you up to date with information about events being held, and give staff more opportunity to take forward new pieces of work for GOLD.

Welcome to the first 'What's on' new sheet September 2009
