**CARERS SUPPORT  
WORKER**

**LEARNING DISABILITIES**

The Carers Support worker's role includes:

- Providing one to one support
- Offering help and advice
- Helping you to access information
- Time limited support on specific issues
- Offering emotional support
- Supporting you to manage change

If you would like to receive support you can discuss this with your Care Coordinator as the referrals will come to me from the Learning Disability team at Upperthorpe.
