APPENDICES

Darlington People

- Appendix 1: Darlington population by age and ward
Appendix 2**: Old age dependency ratios for Darlington wards

Prosperous Darlington

- Appendix 3**: Benefit claimants data by electoral ward
Appendix 4**: Number of people starting to claim incapacity benefit in the last 6 months
Appendix 5**: Incapacity benefit claimants by reason for claiming by ward

Aspiring Darlington

- Appendix 6: Hospital admissions by unintentional and deliberate injuries to children and young people

Healthy Darlington

- Appendix 7: Synthetic estimates of diet at ward level
Appendix 8: Definitions for alcohol profile indicators
Appendix 9: Registration for all cancers (excluding skin cancers)
Appendix 10: Percentage of households with pensioners living on their own
Appendix 11: Carers receiving a carer break or specific advice and information
Appendix 12: Influenza immunisations
Appendix 13: Access to NHS funded abortions before 10 weeks gestation

Greener Darlington

- Appendix 14: Average road distance to services in kilometres
Appendix 15: Percentage of households without access to a car and van by ward

Safer Darlington

- Appendix 16: Alcohol related admissions
Appendix 17: Recorded crime in Darlington
Appendix 18**: Darlington Health Profile 2009

** Indicates where 2008 JSNA information has been 'refreshed' or includes additional information for 2009

TABLES AND FIGURES CONTENT

TABLES:

Darlington: The Place

2.1**: Urban-rural geographies

Darlington: The People

3.1a**: Proportion of the resident male population by age group
3.1b**: Proportion of the resident female population by age group
3.2: Ethnicity of Darlington population as at the 2001 census
3.3**: Darlington projected population by age group and natural change and migration summary
3.4**: Male and female life expectancy

Prosperous Darlington

4.1: Index of Multiple Deprivation for Darlington wards
4.2**: Number of people in employment
4.3**: Incapacity benefit claimants by reason for claiming
4.4: Long-term limiting illness
4.5: Children living in poverty
4.6: Household tenancy
4.7: Household occupancy
4.8**: New homeless households/1000 households

Aspiring Darlington

5.1: Births by age of mother
5.2**: Looked After Children
5.3**: Uptake of Immunisations by 24 Months
5.4: Mean number of decayed/missing/filled teeth
5.5a**: Teenage conception rates
5.5b**: Under 19 terminations in 2007
5.6**: Smoking in pregnancy
5.7a**: Overweight & Obese Children – Reception Year
5.7b**: Overweight & Obese Children – Year 6
5.9**: Alcohol performance indicators for young people

Healthy Darlington

6.1a**: Smoking quitters
6.1b**: Alcohol performance indicators – hospital admissions and brief advice training
6.1c**: Alcohol performance indicators - workplace and licensed premises
6.1d**: Participation in sport and volunteering
6.1e*: Number of new cases of selected sexually transmitted infections
6.3a**: Premature mortality rates from circulatory diseases over time
6.3b: Estimated prevalence of hypertension and coronary heart disease

6.4a:	Premature mortality rates from cancer over time
6.4b**:	Percentage of eligible women aged 25 to 64 screened for cervical cancer
6.4c**:	Percentage of eligible women aged 50 to 64 screened for breast cancer
6.4d**:	Bowel cancer screening uptake rates as of 1 December 2008
6.5a:	Diagnosed and estimated prevalence of diabetes
6.5b:	Estimated and recorded prevalence of diabetes for males and females
6.6:	Results from ONS psychiatric morbidity survey
6.7:	Estimated prevalence of dementia
6.8**:	Chronic disease prevalence
6.9:	People with learning disabilities
6.10a:	Excess winter deaths
6.10b**:	Households receiving home care
6.11**:	People registered deaf or hard of hearing
6.12a**:	People registered as blind or partially sighted
6.12b:	Blue badges issued
6.13:	Distribution of carers by Darlington wards
6.14**:	Number of people receiving direct payments (age standardised) NI 130

Indicator

6.15a**:	Timeliness of social care assessments
6.15b**:	Timeliness of social care packages

Greener Darlington

7.1**:	Travel mode share
7.2**:	Changes in active travel time between 2004 and 2008
7.3**:	Changes in levels of car ownership and distance traveled by car between 2004 and 2008

Safer Darlington

8.1**:	Alcohol and drug performance indicators – community safety
8.2**:	Casualties from road traffic accidents

**** Indicates where 2008 JSNA information has been ‘refreshed’ or includes additional information for 2009**

FIGURES:

Darlington: The Place

2.1a:** Comparison of car ownership and level of deprivation across Darlington

Darlington: The People

3.3a:** Projected changes in population by age group

3.3b:** Old age dependency ratios for Darlington wards

3.4: Life expectancy for males and females and levels of deprivation

3.5: All age all cause mortality

Prosperous Darlington

4.1: Index of Multiple Deprivation scores for MSOA in Darlington

4.2: Standardised Illness Rate by age group and sex

Aspiring Darlington

5.1: Total period fertility rate trend

5.5a: Trend in under 18 conception rates

5.5b:** Under 18 conceptions by ward 2003-2005

5.9a:** Proportion of young people in each year who had an alcoholic drink in their lifetime

5.9b:** Proportion of young people in each year who had an alcoholic drink in the last 7 days

5.9c:** Proportion of young people in each year who have been drunk in their lifetime

5.9d:** Proportion of young people in each year who had been drunk in the last 7 days

5.9e:** Young people's opinion about alcohol

5.9f:** Proportion of young people in each year who have ever taken specific illegal drugs

5.9g:** Proportion of young people in each year who have ever taken illegal drugs

5.9h:** Proportion of young people in each year who have ever taken specific illegal drugs

Healthy Darlington

6.1a: Smoking prevalence by Darlington wards

6.1b: Darlington alcohol profile

6.1c: Trend in alcohol specific admissions 2000-2006

6.2a: Life expectancy for males and females and health inequalities

6.2b: The 'Scarf Diagram' - percentage contribution of death from various diseases to life expectancy

6.3: Premature mortality rates for males and females from circulatory diseases

6.4a: Premature mortality rates from cancer

6.4b: Standardized cancer incidence rates for males and females over time

6.4c: One year cancer survival rates over time

6.5: Prevalence of diagnosed diabetes

Greener Darlington

- 7.1^{**}: Summary of travel mode share
- 7.2^{**}: Mode choice by ward in 2004
- 7.3^{**}: Mode choice by ward in 2008
