

Additional Information

In all cases proof of address must be provided that clearly shows the individuals name and address, e.g a current household bill or bank statement. Full time students with no household bills can provide a letter from their school or college confirming their address. For travellers, the address of the site where they live will be acceptable.

Anyone qualifying for membership to the scheme under the Senior Citizens or Disability criteria will not have to reapply; the membership to the scheme will automatically be renewed each year.

All other members will be required to reapply annually for membership.

If your circumstances change (e.g should you no longer be in receipt of one of the benefits stated in criteria 1- 6 or you leave full time education) you must notify us immediately of the change. If you do not notify us of any changes in your circumstances you may be subject to recovery action being taken against you for any concessions granted to you under this scheme.

For further information on eligibility, please call the Dolphin Centre reception on 01325 388406.
