Due to the COVID 19 Pandemic the May meeting of the Darlington School Forum was cancelled. However all members of the Forum were circulated the minutes of the previous meeting and the final budget position for 2019/20 for consideration.

Budget Position 2019/0

The paper outlined the final budget position for 2019/20 which reported an overall budget deficit of £1.7 million in year, which when added to the brought forward deficit, resulted in a combined deficit of £5.4 million.

The paper detailed the breakdown of the budget balance between the different DSG blocks and suggested how these be dealt with in 2020/21.

Forum were asked to approve the carry forward of budget from 2019/20 into 2020/21 as detailed within paragraphs 8 to 16.

All members were given the opportunity to ask questions upon the final budget position or make comments on the recommendations. It was noted that if no comments were received then the recommendations would be taken as approved.

No comment or questions were received. Therefore the recommendations regarding carry forward, were taken forward.
