

Making learning stick

1

Retrieval Practice

- Memory platform – questions from last lesson last week, last term
- Multiple choice questions/
- Quizzes

2

Spacing

- Little bits of work- often
- Revisiting the same material multiple times across a period of time

3

Presenting information in different ways

- Diagram/ mind map
- For a different audience
- Explanatory writing

4

Highlighting]/underlining

- Picking out the key facts/ ideas
- Underlining important information in order

5

Dual Coding

Combining verbal materials with visual materials

6

Knowledge organisers

1 /2 sided document which identifies the key information/vocab/themes that need to be learned for a unit of work

7

Re- reading

Going back over a key piece of information and reading it a few times
