

Metacognitive sentence stems – to extend thinking

- Can anyone add on to ...? Can anyone follow on from...? Any comments on that? What else can we ...?
- Do you agree/disagree (and why?) Does anyone want to respond to that?
- What do you mean by that? Can you give an example? Okay, tell me more about that... How could that be...?
- Can you say that again? Who can repeat what X just said in their own words? What did your partner say?
- So, are you saying...? Then I guess you think...?
- I'm wondering why you think that? What is your evidence?
- Does it always work that way? What if...? Is that always true?
