

SESSION 6: SUMMARY OF LEARNING Teaching and Learning Tool Kit

Sharing the big picture	Using a mirror to reflect on professional learning	Change perceptual positions – view from others viewpoints	Share 'noticings' with others
Reflect on reflection	Use a linking chart to link ideas together	Ask 'Is it working well?' as a checking mechanism	Separate ideas into 'what' and 'how'
Create reflection questions to add to a learning wall	Model reflection	Design tools to promote reflection on learning	Use Blooms' taxonomy to reflect on learning
