The following information will help you plan and understand what will happen on your wedding day. If you have any questions then please do not hesitate to contact us.

There are photographs of our marriage facilities on our website but if you would prefer to see the facilities beforehand you can do so by a pre-arranged appointment.

Three final pieces of information and advice for you:

1. Please don't be late for your wedding, we often have other weddings or appointments after your ceremony. If you are late you risk it not going ahead!
2. The register office is located at the Town Hall, which is a busy multi-purpose council building. If you choose to get married Monday to Friday, there will be other people and events taking place in the building whilst you are with us.
3. You are unable to decorate or alter the layout of the marriage rooms.
