

SPEECH AND LANGUAGE OUTREACH SERVICE

Support for Children with Speech, Language and Communication (SLC) needs

What is Outreach?

The staff from the Speech and Language Base (SLB) are available to support schools and staff with SLC needs in their settings. The staff offer training packages that can be delivered to individual, small group and whole school staff.

What are the packages that are available?

We offer packages including:

- Creating a language rich environment
- Helping children to understand abstract language
- The link between speech, language, reading and writing
- What is communication?
- Promoting vocabulary development
- Delivering a speech and language intervention
- Non-verbal communication, attention and listening

If your setting has a particular training need please speak to the SLB staff as other packages are available.

Mrs Karen Popple	SLB HLTA
Miss Amy Douthwaite	SLB HLTA
Miss L Robinson	Resource Base Manager and SENCO
