Intensive Support

What is Intensive Support?

Intensive Support aims to reach people who want to get back into learning but may have lost confidence and don't know where to start. Intensive Support is unique whereby our tutors will work with you on a one-to-one basis with you in your home, in a mutually agreed venue such as a coffee shop or in our learning centres. You will learn confidence skills at your own pace with the aim of gaining enough confidence to join a more traditional course when ready.

The Intensive Support team works in partnership with other practitioners and agencies, including the Early Help team and the Job Centre (if applicable) to ensure all of your needs are met.
