Family Friendly Policies

We are committed to helping employees manage both their personal and professional lives, we have a wide range of family friendly policies designed to support employees and their loved ones:

Ways we Work – flexible/agile working

Flexible working is available in many roles, subject to service needs and requirements. You may be able to participate in our Flexi-time scheme, be eligible for blended working or vary start/finish times.

The Council is striving to move to more modern ways of working. By taking advantage of technological developments, we can introduce more flexibility to how work is organised and where work takes place to provide responsive service delivery and greater efficiency combined with employee benefits including improved work/life balance and reducing travel time and costs.

At Darlington Borough Council if your role is identified as suitable for blended working, we trust you to work in the most appropriate place for your day. We will not dictate how many days you should work from the office, but you will be able to book a desk in the office if you need to.

Total Reward...securing your future

Pensions

For most roles in the Council, the Local Government Pension Scheme is viewed as one of the most valuable financial rewards of your job, providing you with a secure, Government backed, guaranteed income, when you retire.

Benefits of the LGPS:

- Each year you will build up a pension based on your pay and inflation increases will be added to ensure that your pension keeps up
- Protection should you have to retire early due to ill health
- Life cover of 3 times your salary from the first day you join the scheme
- Dependents benefits payable if you pass away, so your pension does not go with you.

Shared cost Additional AVCs

Do you want an opportunity to retire early or have more money when you do? LGPS scheme members are eligible to join AVC Wise, which facilitates a cost-effective way to save for your retirement.

Pre-retirement Seminars

When the time comes, we offer all employees the opportunity to attend a comprehensive pre-retirement seminar which covers subjects ranging from managing finance to what you can do in your well-earned spare time.
