

DAY IN THE LIFE OF AN APPRENTICE

**Callum
Parkinson**

Motor Vehicle

Why did you choose an Apprenticeship?

Helped me work towards a job as a qualified technician.

What benefits does an Apprenticeship have?

Able to learn both theory and technical skills in a steady manner.

What skills do you feel you've developed during your time with us so far?

Improved writing skills.

What do you hope to get out of your apprenticeship? What will this progress you onto?

A deeper understanding of electrical systems found on all vehicles.

Why would you recommend it to others?

Very cooperative, learned a lot over the course.

Tell us about your typical working day - what kind of work have you been/are you doing?

Typical working days/ hours: 4 days a week, 8 hours a day

Typical daily tasks carried out: Repair vehicles, wash cars, clean workshop

Unsupervised work: Cleaning and tidying

Supervised work: Service and repair work
