

# DAY IN THE LIFE OF AN APPRENTICE

## Joe Yellow

**Carpentry and Site  
Joinery**

### ***Why did you choose an Apprenticeship?***

**I wanted to learn as I worked, I have always been very hands-on and like the balance of practical and theory as I feel like for me personally, learning as I work helps me develop my skills faster.**

### ***What benefits does an Apprenticeship have?***

**The ability to adapt to a new environment and learn new skills as you work.**

### ***What skills do you feel you've developed during your time with us so far?***

**Communication, attitude to work and practical skills**

### ***What do you hope to get out of your apprenticeship? What will this progress you onto?***

**I am hoping to gain my advanced qualification which leads me onto a full time job in my trade.**

### ***Would you recommend it to others?***

**100%**

### ***Tell us about your typical working day - what kind of work have you been/are you doing?***

**Typical working days/ hours: 8 hours**

**Typical daily tasks carried out: General maintenance to tenanted properties.**

**Unsupervised work: Fitting doors, repairing or replacing hinges or handles.**

**Supervised work: Changing and inspecting mechanisms on external doors.**
