

## **Principal Social Worker Network Lunchtime Learning Session**

# **Sharing Sensitive Information as part of Life Story Work**

**Thursday 10<sup>th</sup> April 2025, 12pm – 1pm**

*An online innovation-sharing session for Local Authority professionals hosted by South Tyneside Council.*

In this session we will explore how we can tell life stories when difficult topics – like mental health, drugs and violence – are involved. We will consider how having open and honest conversations can impact on relationships and the child's view of themselves. Openness is also the biggest protection against unplanned, secret, potentially risky contact in adolescence.
