

Holicote Short Break Service

Service Guide

We provide short break stays

We want everyone to enjoy their stay and have fun.

We offer the choice of 5 bedrooms and we provide for everyone with different needs.

We will provide all of your meals and can help with any special diet.

We have staff to support and help you when you stay

We have two main living areas where you can relax and also join in activities.

We can provide you with a list of all of the things you might need to bring on your stay.

We will plan your care and support needs with you. We have a person centred approach and we will listen to what you need.

You will need to be referred to us by your Social Care Team.

An assessment of your needs will tell us what support you need.

We are regulated and inspected by the Care Quality Commission.

Our rating is Good.
