

Darlington Borough Council

Proposed Hourly Rate to support the Building Safety Regulator (BSR)

The proposed hourly rate to support the BSR is £73.50.

The hourly rate has been calculated by projecting the 2025-26 year-end outturn for Building Control, apportioning the projected costs between chargeable and non-chargeable activities using the Officers timesheet data from the last complete financial year, that being 2023-24. The proposed hourly rate is calculated as follows, total chargeable projected cost for 2025-26/total chargeable hours for 2023-24.

AUTHORISATION OF CHIEF FINANCIAL OFFICER

Signed:

Date: 11 March 2025

A handwritten signature in black ink, appearing to read 'C Dawson'.
