

Services for Early Intervention and Prevention

Parkside Childcare in the Coleridge Centre

Current DBC statutory and Children's Centre services being offered	Parkside Childcare Private Day Nursery	Parkside Childcare Private Day Nursery
	Currently being delivered at our expense - may be under threat	Could deliver with phased increase in rent / services agreement and through the provision of additional space
3-4 year old Nursery Education Grant Funded children (local authority statutory requirement)		
	Delivering flexible nursery places to 38 - 3-4 year olds.	
2 year old Free Entitlement funded places (local authority statutory requirement)		
	Delivering flexible nursery places to 19 - 2 year olds.	We currently have a waiting list for 2 year old free entitlement places so with additional space could accommodate these children in nursery in their own locality – families in the Skerne Park area do not want to use services where travel is involved.
Enjoying and achieving with particular focus on young children and their families in order to reduce inequalities in child development
