

Residential Sheltered Housing Consultation

Any free parking spaces are taken up by the postal services

Zebra crossing is dangerous, needs moving, as well as the traffic lights which are situated on a four way crossing

As an elderly person I don't feel safe on Victoria road

On the corner of the trophy shop if you take a right the path is too steep for elderly people to walk up or down especially when it is icy

Pharmacy's need private rooms for people to take their methadone instead of in the street

Path need to be even

We need a cctv camera at both ends, which do not need to be monitored 24/7 , just if there is a crime then they can be looked at , this will deter criminals and make people feel safer

I moved here two years ago and it is a lot worse now

Rubbish is really bad , people just dump it all over
